

Achieve Our GOALS!

GROWTH THROUGH GIVING.

How does “Achieve Our Goals” work?

On our main page, click the “Create Event” button to access the form on our website, it takes about 3 minutes, to fill out, load a couple of pictures of your event and it is sent to us. We’ll take care of the rest.

We will send you a link to your direct fundraising page. You can then forward that link to friends, family, co-workers, school, church, etc. People can donate directly from that page. You can also post your link on your social media accounts as well. With everyone coming together as a village, your fundraising goals are right at your fingertips.

How much does this cost us?

Absolutely nothing. Your organization will receive 100% of the donated funds collected. Our processing costs are added to the amount your donors contribute to your cause.

When do we receive our funds?

Most fundraisers have a start and end date. When your campaign ends we mail your event organizer a check along with the accounting for the campaign. Long running campaigns are paid quarterly or monthly – it’s up to you.

How can we trust “Achieve Our Goals”?

We own a Web Design business in Murrieta California, and have been doing business locally for over 25 consecutive years. We created Achieve Our Goals to help people just like us raise money for our kids and grandkids without giving up to 90% of the raised funds to the administrating business. Safety, Simplicity and Satisfaction. That’s exactly what you can expect. Contact us today with any questions you might have.
