HOW IT WORKS

1 Tell us your cause

Fill out a quick form at achieveourgoals.com with your goal, your story and a few photos. It takes about 5 minutes.

2 We build your page

We create your fundraising page for you and email you the link, usually the same day.

3 Share one link

Text it, email it, post it. Send it to family, friends, co-workers, school and church. Supporters give right from your page.

4 Cheer & collect

Donors can leave shout-outs of encouragement, and we mail you a check for 100% of what you raise.

WHAT DOES IT COST?

Absolutely nothing. Your organization receives 100% of the money raised. Our only costs, card processing and running the site, are under 5%, added at checkout and covered by your donors.

WHEN DO WE GET PAID?

When your campaign ends, we mail your organizer a check along with a full accounting of every donation. Long-running campaigns can be paid monthly or quarterly. It's up to you.

WHY TRUST US?

We're Michael and Annamarie Terry, owners of MET Web Solutions, a Murrieta web design business for over 25 years. After four decades of buying gift wrap, popcorn and candy bars for our kids and grandkids, we built Achieve Our Goals so more of every dollar reaches the people it's meant for. It isn't a profit center for us. Our time is donated.

Safety. Simplicity. Satisfaction.
